

Renaissance®

DENTAL · VISION · LIFE · DISABILITY

Renaissance—A *Benefits Experience That Stands Out*

Experience *That Stands Out*

- ✓ 20 million dental claims are processed each year and over 99% are processed in 10 days or less*
- ✓ “A” Rated carrier with 60+ years of experience
- ✓ Nationwide network with over 300,000 dental office locations*
- ✓ Evidence-based plan designs keep employees happy and healthy
- ✓ Online portals that make managing your benefits 24/7 easy

The Renaissance Health Service Corporation provides coverage for more than 13.1 million people and pays out nearly \$3 billion for dental care annually.*

We work hard every day to make ancillary benefits easy and accessible. Renaissance has an “A” (Excellent) A.M. Best Company rating, delivering exceptional Dental, Vision, Life and Disability plans across the country, backed by outstanding customer service.

A Unique Ancillary Experience:

Renaissance is a fast growing, service-centric company with an experienced executive leadership team. We provide customizable group ancillary benefit solutions nationwide for any employer group size.

Our unique product features and customized solutions allow customers to enjoy better overall health while experiencing seamless implementation, easy-to-manage benefits, and competitive pricing.

Plus, our dental and vision networks provide maximum flexibility and savings across the country.
